As We Played Through Our Four Years
At Medford High School,
We Found Each Of Us
To Have Similarities And Differences.

Seniors are never found without books in their hands. Grades are important and the seniors know that. In order to get into a good school or land a good job we had to study but not to much we didn't want to overwork ourselves!

IN MEMORY

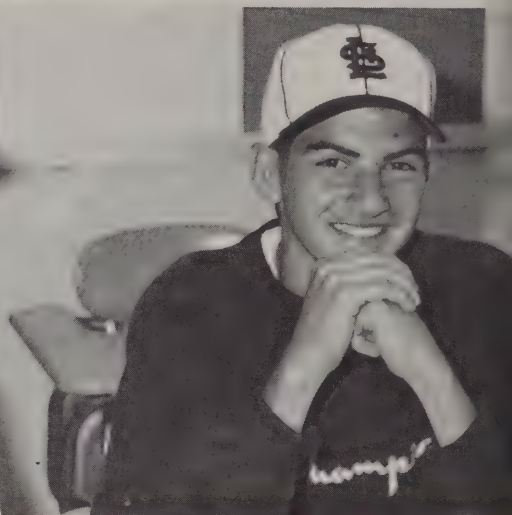

Anthony Chiarella
May 17, 1974-November 30, 1991

Anthony Chiarella will always be remembered by the class of '93 for his exceptionally outgoing personality. He was both charming and personable and presented himself with great maturity to both his friends and faculty members alike.

Anthony had a true appreciation of life and lived it to the fullest. His bright smile which he carried throughout the halls of MHS even through the toughest of times will be carried in our hearts. The warmth of Anthony's friendship will forever enkindle a fond memory of our days at Medford High School.

The Senior Shuffle . . . Students balance Jobs & Social life!

For a senior to participate in all the activities they wanted to they had to cut themselves in half. Whether its being crowned king and queen at the prom or holding down a job MHS seniors did it all. We shuffled our way through a year packed full of events.

M.H.S. has a FULL HOUSE of Talented Faculty

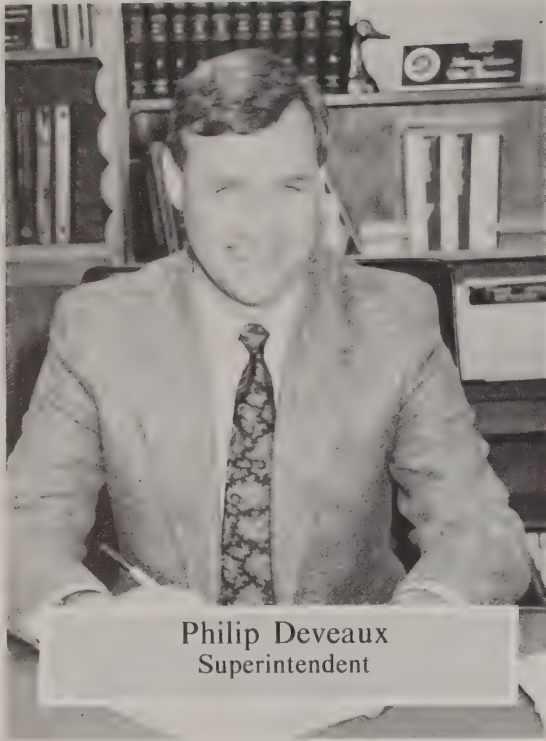

For four years the M.H.S. faculty has kept the class of '93 guessing what was in their hand. Whether it was if Mr. Nelson was going to check homework or is friendly Officer Bill was going to catch us trying to leave campus, the faculty always kept a straight face.

SUPERINTENDENT'S MESSAGE

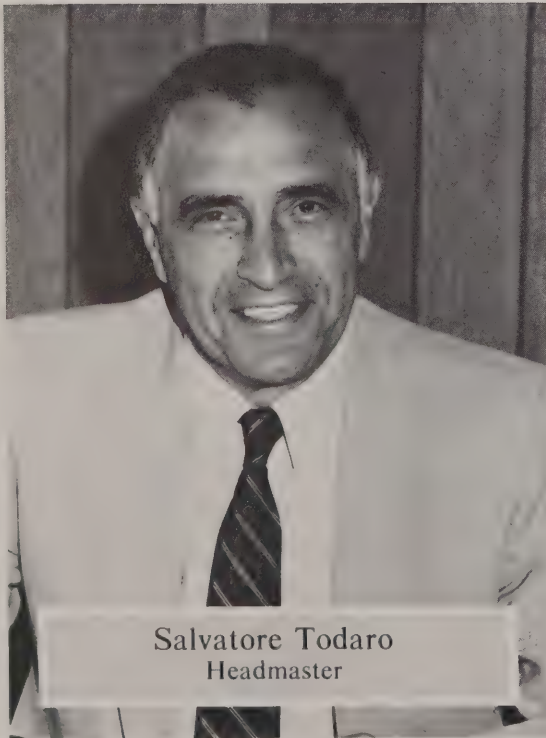

Philip Deveau
Superintendent

To the Class of 1993, I offer my personal congratulations upon your graduation from Medford High School. An alma mater lasts a lifetime, and its identity is a reflection of the achievements and accomplishments of its graduates. In that manner, you draw from those who have preceded you and contribute to those to follow. Graduation is a shared experience, and its memory should be of all those persons and events that have impacted your growth and maturity.

Learning is a lifelong enterprise, beginning long before you entered formal schooling, and continuing well beyond the high school years. Regardless of your next path, the road just traveled should have been a very special one. The long, sometimes torturous, sequence of classes and assignments were melded in such a way as to result in multi-dimensional maturity that may not be fully understood for years to come.

Your lives will never be quite the same following graduation. New expectations will govern your next steps. Success and disappointment will weave their own special fabric of life. Much of what you face will challenge the individualism we all cherish, and aspirations will ebb and flow as you seek to fulfill life's ambitions and dreams. During all of these moments, there will be constant reminders of your high school years. Most especially, there will be the friendship, support, comfort and encouragement you will remember receiving from classmates and teachers.

HEADMASTER'S MESSAGE

Salvatore Todaro
Headmaster

On behalf of the Administration and Faculty at Medford High School, I extend warm and heartfelt congratulations to the members of the class of 1993. Your four years of matriculation was a wonderful experience in your life that is to be cherished forever. The goal that each of you had set and achieved will be your beacon for future goal setting in achieving your life-long pursuit of happiness. The aforementioned was not gleaned with a minimum of effort but rather with a dedication of untold hours with pen in hand in organizing and completing all requirements.

Life as you know it now will undergo many cycles of change based on personal experiences and the experiences of others. The willingness to experiment will bring diversity and growth to each of you over a period of time. Your many ventures will help you set new standards and to forge new paths that may be winding at times, but, in reality, will culminate into stages of untold joy and success. The new found pleasures will not only be enjoyed by you but by individuals with whom you will touch in the future. The sharing between and among friends is the satisfaction that all human beings strive for, because it helps to enlighten the hearts of others that may have dimly lightened for numerous reasons.

Your commitment to deal with humanistic frailty will crystalize into the building of strength in others because of your positive mental attitude. The caring for others who are less fortunate brings a deep sense of fulfillment. It also helps to enhance the experiences of those in need of guidance and support. Each of you has exemplified the above qualities on a day-to-day basis in and out of the classroom setting. This, in part, was fully realized because of the high moral and ethical qualities that were embraced by all of you along a deep sense of sincerity.

I pass to the Class of 1993 the baton of challenge, to continue your lifelong pursuits with the love, the affection, and the maturity of persons who really care about helping to improve the quality of life for all!

In closing, I should like to leave the Class of 1993 with a thought best expressed by H.D. Thoreau's "Walden" . . . 'I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived . . . '

VOKE DIRECTOR'S MESSAGE

Lawrence Volpe
Director of Vocational School

It is with a great deal of pride and satisfaction that I congratulate the Class of 1993 on a job well done. Your hard work and accomplishments during your four-year matriculation at Medford High School will stand you in good stead as you pursue future endeavors. A dwelling, no matter how expensive, is only as strong as its foundation. Your years of undergraduate study has given you the strongest foundation possible upon which to build your adult life. In addition to pure content, you have been trained in analytical thinking and problem-solving skills that can be applied to any situation that you may encounter.

You are now entering an exciting and challenging part of your life. Whether it be pursuing a career, post-secondary education, or military duty, you are the master of your destiny. Set your goals high, maintain a sense of humor, a positive attitude, be sensitive to the needs of those around you and success will be yours. You are entering a rapidly changing world, and you must be ready and willing to adapt to the landscape of society. Use the skills that you honed at Medford High School to make appropriate decisions when responding to the questions and challenges that the future will inevitably bring. It will not always be easy, but then the things we cherish most are not usually attained with little effort.

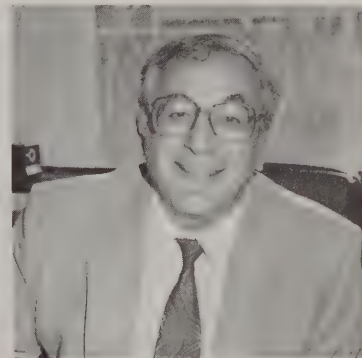

As you leave Hormel Stadium upon graduation, always remember "The good old days at Medford High School." On behalf of the faculty and staff at Medford Voc.-Tech. High School, I wish you a happy, healthy and successful future.

MR. NICHOLAS SIRACO

"There are no limits to knowledge"

"You are now a member of Medford graduating class and your responsibilities have just begun, even though your ending your high school. Since there are no limits to knowledge, you must take every opportunity to improve and extend your education, whether your education be in the work place, a technical school or a college. Congratulations and best wishes to you."

IN MEMORY

Michelina Pietrangelo, a teacher here at Medford High School, died during our junior year. She was sixty-two. Ms. Pietrangelo taught French and Italian for the past thirty seven years and was the Italian Club advisor for many years. Born in Italy, she emigrated to the United States in 1939 and settled in Medford where she graduated with honors from Medford High School's Class of 1949. Continuing her education at Boston University, she graduated summa cum laude in 1953 with a bachelor of arts degree. Miss Pietrangelo was a member of Phi Beta Kappa, the Scarlet Key Society, Newman Club and Who's Who in American Colleges and Universities. In 1959 she earned a Master's degree in Language from Middlebury College. She won a Fullbright Scholarship in Italian and studied at the University of Rome in 1962 and 1963. Miss Pietrangelo was a welcomed face in the halls of Medford High School and she will always be missed. It is very unfortunate that one of the remberances of our high school years is of her passing on.

SENIORS ACE GRADES!!!! MHS STUDENTS FACE TOUGH CURRICULUM BUT STRONG SUITES SHINE.

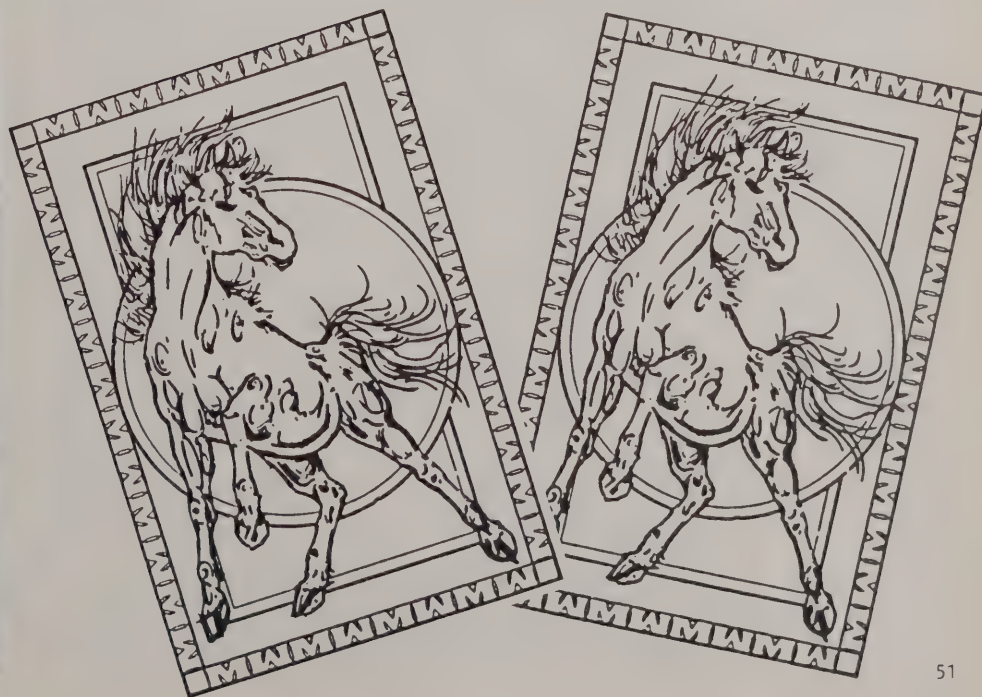

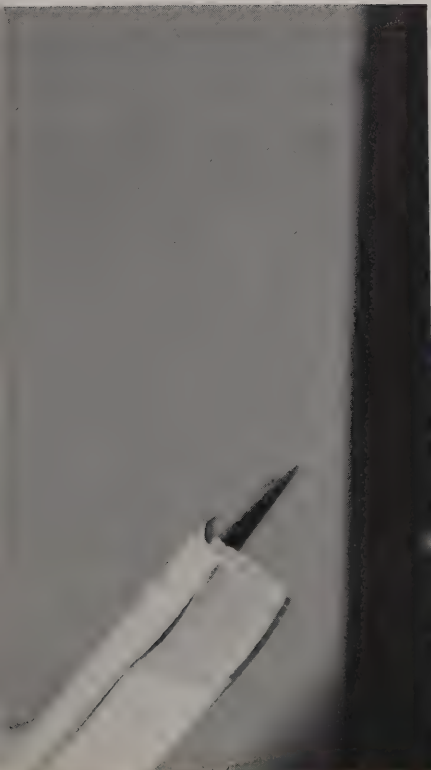

Here's the deal. Classes are tough, there's a ton of homework, and just this year we started having quarterly exams! A student's worst nightmare. But seniors are taking the pressure in stride. We're making the grade and securing our futures.

This class is wild! Rich Fleming knows that Anatomy doesn't get any better than this.

When the Class of '93 came to Medford High School, they encountered a fork in their road of education. From auto body at the Voke to Human Relations at the High School, there was many options for one to chose. Though, in most cases, one's choice was not binding, it enabled the students to try out an area they might want to pursue in the "real" world. We are better people now that we received our education her, at Medford High.

MEDFORD HIGH SPORTS ... A WINNING SUIT.

A WINNING SUIT.

Alyssa Sluz keeps the ball away from Revere High's defenders as Shanon Murphy (#15) and Jamie Travers (#22) run to assist her. The Medford girls beat Revere's 4-0.

Sports is an important facet of Medford High School since the majority of students plays or has played some sport. During any season, the Medford High athlete must endure hours of daily, afterschool practice and then go home to endure a few more hours of homework. In the end, their hard work and dedication pays off in a victory. Even a loss can, in a sense, be a "small victory" when the game is played well and the players exhibit good sportsmanship.

When we think of sports, we don't have to limit it to the players and coaches, but the fans too. After all, what better way to unify the student body and show school spirit than to attend a sporting event?

Soccer Success - Mustang Style!

August 3rd marked the first day the M.H.S Girls Varsity team came together to practice long and hard to become the 1992 GBL Co-Champs.

Led by tri-captains Debbie Gately, Alyssa Sluz, and Shannon Murphy, the Lady Mustangs proved to be #1, with their 13-2-2 overall record once again Debbie Gately, tri-captain was not only the teams leading scorer, but the leading scorer with 22 goals and 12 assists, totaling 34 points. Shannon Murphy and Alyssa Sluz, two of the tri-captains, contributed greatly to the success of the team. They are two very skillful and consistent players. Although they played a more defensive role in the games, they also contributed to many offensive plays making them valuable assets to the team. The Mustangs could not have been so successful without the spectacular goalkeeping of Shannon Coughlin. She had only ten goals against her in 16 games played and 11 shutouts for an average of .62.

Some of the highlights of the season were their defeat against Peabody, becoming the G.B.L Co-Champs (shared with Arlington) and having no losses in league play. Coach Luongo said, "The team should be proud of their accomplishments this year."

The team was seeded 6th in the Eastern Mass girls' tourney and made it to the 1st round but were ousted by the skillful and experienced N. Andover, Scarlet Knights.

The leadership and dedication of all the players was overwhelming.

The underclassmen of the team will be strong enough to bring the team to another great season in "93".

Shannon Murphy runs to help her teammate Christine Donald with the ball.

Kerry Kearn and Kristy Sweeney look on in amazement as the opposite team gives Marisa Camarra the ball.

Debbie Gately tries her best to keep the ball away from Revere.

Coach Luongo poses with Seniors Debbie Gately, Shannon Murphy and Alyssa Sluz. Shannon Murphy adds, "We had a good season. I'll remember the Chinese food dinners! Good luck to the captains next year and the team."

The Boy's soccer team battled to a 13-3-2 record, including 7 wins in a row. They placed second in the Greater Boston League and advanced to the State Tournament. The biggest win of the year was a 2-1 victory over St. John's Prep. It served as great preparation for the later regular season's matchups in the GBL.

The Mustangs went to the quarterfinals in the state district tournament with a 2-1 win over Shawsheen Tech. with goals scored by Rich Fleming and Medardo Rodriguez. In the second round, the Mustangs lost to subsequent Eastern Mass. Champions Framingham 3-0 after battling through the first three quarters of the game in a scoreless tie.

The most valuable players this year were seniors Mike Cangiano (8 goals-9 assists), Rich Fleming (8 goals-12 assists), and Medardo Rodriguez (15 goals-17 assists). Other great seniors were Ehren Lister, Fred Pimental, Tom Cantillon, and Mark Lococo. Contributing underclassmen were Juniors Leo Vecchiarello, Billy Kelly, Sophomores Torry Marino, Alex Cruz, Sean Mangan and Mike Carbone, and Freshmen Kevin Fleming, Mark Peterson and Chuck Chiesa.

Medford Mustangs Play Tough

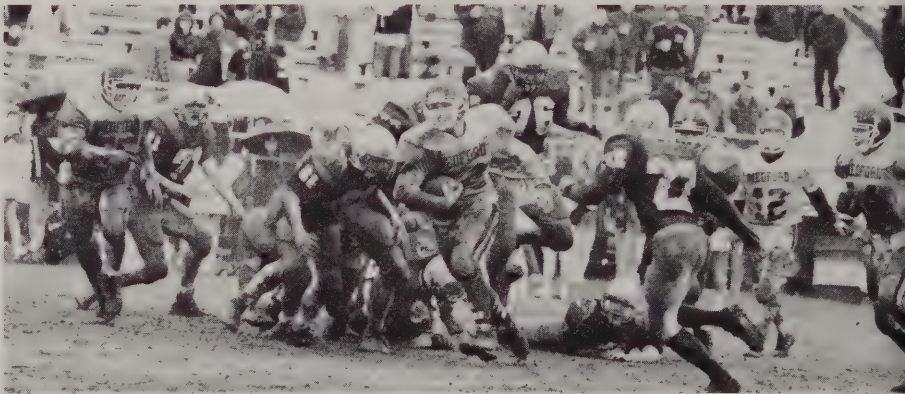

The Medford High School Football Team came into the '92-'93 season with the highest of expectations. With twenty seniors returning, the players and coaches felt confident that they had one of the strongest and deepest teams in many years. But those expectations were not achieved as the Mustangs dropped their first game to Woburn 14-13. That game set the tone for the season as the Mustangs' streak lasted to seven straight losses. There was no giving up for the 'stangs. The team rallied behind tri-captains Paul Morey, Dave Dussault, and Rich Marino to salvage wins over Cambridge and Somerville in commanding fashion before losing a tough battle to Malden on Thanksgiving Day 14-13. Their final record was 2-8.

Although the season didn't go as planned, there were plenty of standout players for Medford. Among them were seniors Jimmy Bennett, Chris Modica, Mike Nicewicz, Rob Grieco, Monnerville Rene, Andre Beckett, Dave Tenney as well as many underclassmen. But when a big play was needed, the team looked to their captains: Paul Morey and Dave Dussault adapted to their new roles nicely, and Rich Marino continued solid play on the line. Captain Rich Marino summed up the Mustang season by saying, "The one thing this season taught me more than anything else is that it is tough to win, but even tougher to lose with dignity."

The team may not be remembered by everyone for it's record, but it will surely be remembered for its hard work, dedication, and dignity. Congratulations Mustangs '92-'93 for a fine season!

Boys And Girls

The 1992 Cross Country team has been one of the most successful teams Coach Ruggiero has seen in awhile. The boys won G.B.L. for the first time since 1986. The girls have either won or tied the G.B.L. for three consecutive years. According to Coach Ruggiero, one of the highlights of the season was when the boys won the Bay State Invitational where thirty teams competed. Coach Ruggiero and his team were honored when they were recognized as one of the top ten teams in the State by the other G.B.L. coaches.

The team is lead by some outstanding seniors. Rachael Tardelli, Serenity MacDonald, and Lauren McKeone all stand out. No one in particular stands out among the boys. Most of them have been running for four years and they all band together.

Although the team had a winning season, there are individuals who are always striving to improve and to be the absolute best that they can be. Paul Lordon is one of these individuals and is now one of the top runners on the team. Tam Alam, Jackie Murphy, Robert Wall, John Cullinane, and Johnny Iacapucci also have made an improvement according to Coach Ruggiero. Also Mike Rosa, a first year runner has made a big impact.

John Iacopucci: "Throughout the four years that I've been running on the X-country team there has never been such a team like ours that worked hard together to achieve such an accomplishment as the GBL crown."

Robert Wall: "This team showed hard work and dedication. Everyone contributed to our team one way or another."

Tanvir Alam: "This year's team was one of the best in the history of the school because everyone worked hard, and ran well."

CROSS COUNTRY

Without Cheerleaders . . .

They're hardworking, talented, and very dedicated—the Medford High School Football/Basketball Varsity Cheerleaders have definitely made a name for themselves. From the competition mat to the court, they dazzle everyone with their partner stunts, pyramids, jumps, tumbling, dancing and cheerleading abilities. In her fifth consecutive year, coach Cheryl Pasinato has continued to work this squad into a fine bunch. Led by captain Lori Palumbo and co-captains Lisa Chan and Jolene DiPaola, the cheerleaders have competed in many competitions and have received a bid to the National Cheerleading Competition in Daytona Beach, Florida.

Whenever there's a football or basketball game, you can count on them to be there cheering the teams on with their enthusiasm and spirit, because without cheerleaders it's only a game.

The squad is composed of seniors Lori Palumbo, Lisa Chan, Jolene DiPaola, Laura DiStasio, Robyn Sarno, juniors Jennifer Guarino, Janet Granara, Jen Connolly, Kim Mitchell, Amy Hackett, Jen Lynch, and sophomores Michelle Gaughan, Ellyn Farrante, Kim Conlan, and Sheila Cormier.

The Medford High School Soccer/Hockey J.V. cheerleaders define the meaning of true athletes. Through the assistance of first year coaches Amy Roth and Elisa DiStasio, they have reached their goals of athletic ability. The squad placed first in the J.V. division at the UCA Competition at Emmanuel College on November 8, 1992. Led by captains Danielle Bramante, Amy Lutkevich, and Nicole McAveney, their Mustang Spirit can be heard loud and clear through the rainy soccer fields to the cold hockey arenas.

The squad consists of juniors Danielle Bramante, Jody Sheehan, Rosalie Esquivel, Marianne Cassasanta, Gina Patterelli, sophomores Lynne Tavernese, Cindy Weber, Heather Fahey, Jaime Alves, Rose Badeau, Sharon Preziosi, Angela Sewell, Amy Lutkevich, and Nicole McAveney.

MUSTANG HOCKEY TEAM

The Mustang Hockey Team proved once again to be invincible. Led by the state's leading scorer and captain Shawn Bates, the Mustangs gained an incredible win over Matignon that enabled them to win the BC High Christmas Tournament. Co-captains Steve Shea, Brian Martell, and Bob Sheehan, along with Shawn and eleven other seniors battled to become the number one ranked team in the entire state. Behind the captains, the team was lead by Allen Fucile, Tom Cantillon, Paul Morey, Ron Pynn, and goal tender Bobby Dimartino.

Midway through the season, the Mustangs had a record of 9-1 with the only loss being to Arlington. The Mustangs quickly recovered with dominating wins over Somerville and Everett. According to Head Coach Driscoll, the team's strengths were "the sixteen seniors, size and experience. When this team is completely focused, there is no one better." The team's dream for the season was winning back the GBL title and reaching the glory of the Boston Garden ice once again. In closing, when asked what the one thing people will remember most about this team, Coach Driscoll said, "it's excitement and high scoring." An unforgettable season for an unforgettable team.

KINGS OF THE COURT

The Medford High School Boys Basketball Team was full of hope and talent this year. Led by Senior Tri-captains Ross Patten, Mohammed Abderrazzaq and Junior Brian Skerry, the team was off to a good start. Also contributing to the Mustangs were Seniors Mike Bonnett, Paul Witkins, Eric Walsh, Juniors Tim Leahy, Jean Dorneus, and sophomores Keith McNally, Jean Bain, Chris Jones, and Al Cervera.

Tom Ryser, a fourth year coach, along with assistant coaches Chris Bartley and Mark Carroll, had goals and expectations for his team to improve as the season went on, so they could be ready for the state-wide competition. Hoping for a winning season, they not only worked hard for wins, but for friendships on and off the court. They played with very competitive teams such as Cambridge, Everett, Malden, Arlington, and Somerville.

Although suffering from a few drawbacks this season such as injuries this year with Tri-captains Mohammed Abderrazzaq (knee) and Brian Skerry (ankle), the team didn't seem to lose hope. With more wins than losses, the Mustangs finished with another outstanding year.

QUEENS OF THE COURT

People were doubtful towards the Lady Mustangs this season. However, with wins against Waltham and Wakefield, the team proved them wrong. "What I will remember about this year is how we pulled together as a team and made it work," said Senior Alyssa Sluz. Rachael DeFrancisco and Alyssa Sluz anchor the team as co-captains. Dina Goggin is the only other senior on this successful young roster. This year the team was strengthened by a great offense lead by Sluz, DeFrancisco, and Freshman Kristen McCormick, and incredible outside shooting by Sophomore Denise Pachan and Junior Kristy Sweeney. The team hoped to win the GBL title and accomplish greatly in the tournament. The youth of the team will definitely enhance future performance.

GYMNASTICS - THEY FLIP OVER IT!

Coach Deanna Ferriera has an abundance of young talent on this year's gymnastics team and only sees improvement in the future. Led by Junior captain Jen Guarino, the team includes six freshmen, four sophomores, and two juniors. With this young squad comes a season of rebuilding.

Although they started off the season with a loss to Arlington with a score of 111.8-108.2, their performance proved that this team has some great potential. Some of the leading contributors to the team were Jen Guarino who excels in floor routine, the vault, and the beam, sophomore Michelle Gaughan who excels in floor routine, the vault, the bars, and the beam. Susan Cataldo, Melanie Brown, Renee LoGuidice, Kelly Corrigan, and Rose Nazzaro also perform well.

Most likely with the whole squad returning next year and with a year of experience under their belts, they will achieve a very successful season.

MHS SWIM TEAM'S RECORDS FALL

Back Row (l-r): Jackie King, Chris Latting, Steve Georgeopoulus, Joe Farnham, Gina Monteforte, Jeanine Femmino, Gretchen May, Angela Maunsell.

This years swim team is living up to all the expectations that Coach Mary Judge had for them. The season began on a sour note when the team lost several non-league meets but since then the team has been making a big splash in the pool. Led by captains Laura Pinkos, Rachel Tardelli, Mike Graffeo, and Marc Santino the team managed to pull off wins over North Reading, Arlington, and long time rival Malden. But more important than the wins were the numerous school records broken. In every meet, records in every event have been shattered. The fantastic four consisting of Rachel Tardelli, Kerry Kearn, Danielle Peluso, and Ellen Toomey broke all three relay records. The boys relay of Mike Graffeo, Joe Farnham, Marc Santino, and Anthony LaVecchia did equally as well by shattering their record. Individual records were also broken by Rachel Tardelli, Danielle Peluso, Kerry Kearn, and diver Cori Doyle. With so many outstanding underclassmen the seniors leave the team confident that next year the team will take the Conference Title.

Michael Graffeo: "What are you looking at?!"

Senior Anthony LaVecchia was one of the five boys on the relay team that set a school record in the 200 freestyle relay event with a time of 1:55.81.

Lisa Paturelli relaxes before a meet.

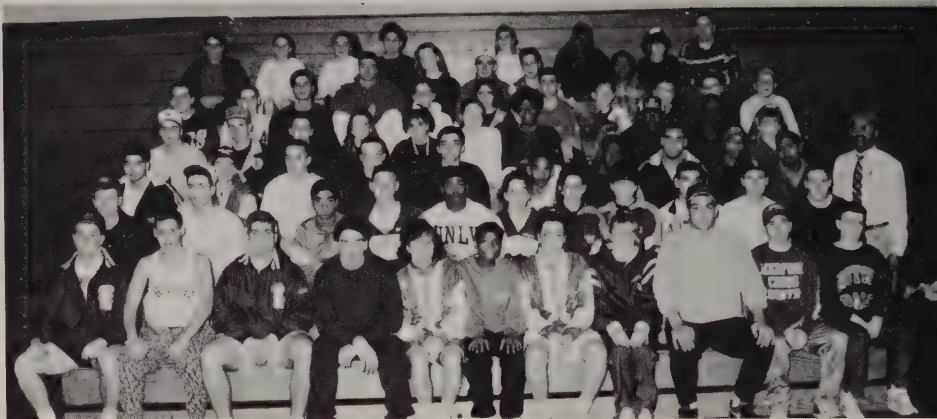

Senior Laura Pinkos contributed a lot to the team. Her best time in the 500 freestyle has been 6:20 and 2:15 in the 200 freestyle.

THE ROAD TO VICTORY

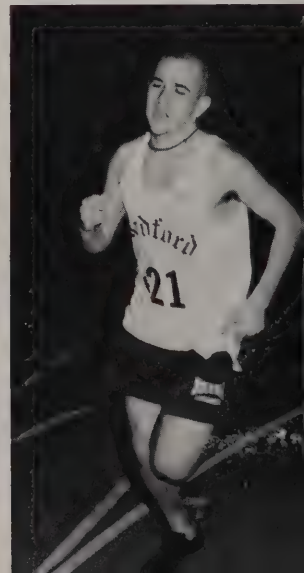

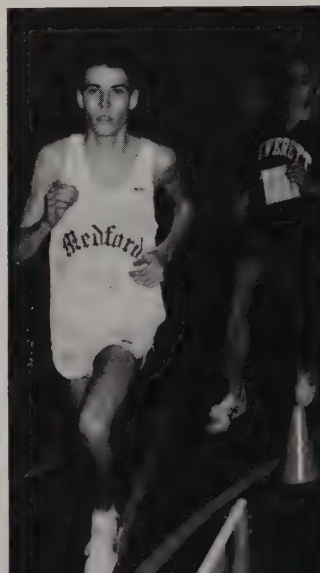

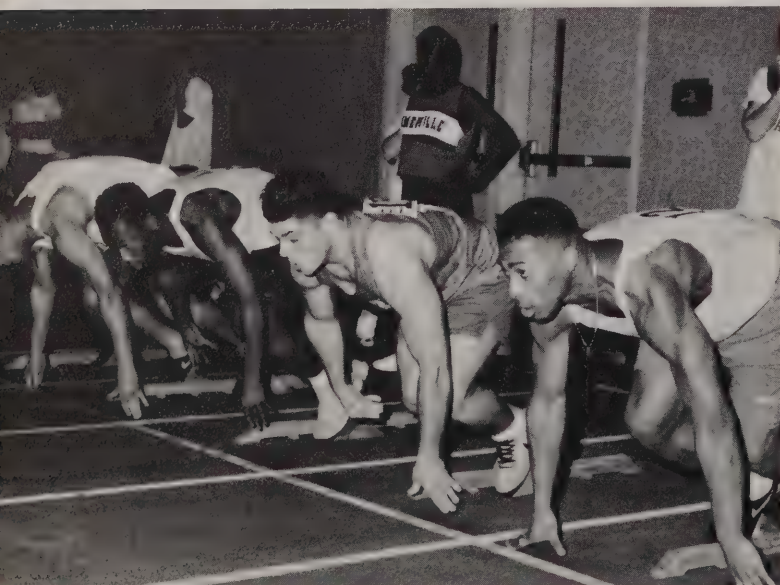

Head Coach Steve Mascoll and Assistant Coach Steve Porcella are impressed with this year's Boys Indoor Track team. The team hopes to do well in the tough G.B.L as well as around the state. They reached both goals early in the season by trouncing Malden High (74-8) and Everett High (72-13) and performing well at the Brown Invitational (in Providence) as well as the State Coaches' Invitational.

Senior co-captain Rob Grieco, the returning Class A Champion, teams up with seniors Rich Marino and Chris Modica to compete in the Shot Put. The Mustangs also have State caliber-distance runners such as Senior co-captain Mike Rosa and Seniors Paul Lordan, Tanvir Alam, John Murphy, John Cullinane and Ralph Maffeo. The sprinting crew is led by Seniors Andre Ducasse, Andre Beckett and John Baker. Senior high jumper Rich Fleming, hurdler Mike Crowley and distance runner Rob Wall also help out.

The Mustangs also have younger runners contributing. Underclassmen who score needed points are: Mike Detering, Sean Griffin, Artie Mabbitt, and Keeley Murphy.

Above left: Senior Shot-putter Chris Modica's best distance has been 41 feet. Above: Hurdler Mike Crowley and Alliston Thomas against an Everett opponent. The Mustangs had a 72-13 victory over Everett at that meet. Below right: THE HOME STRETCH . . . Senior co-captain Mike Rosa endures his last lap in the 1-mile event.

Above: ON YOUR MARK . . . Andre Beckett, Derrick Rogers, and Andre Ducasse are revved up and ready to burn rubber-on their sneaker soles, that is. Right: Senior mile-runner Paul Lordan's best time so far has been 4:47.

REACH FOR THE SKY: Darlene Penachio does the high jump.

ET SET AND GO: (#69) Francesca DeRosa and (#2) Lauren McKeone are set to race. McKeone says that her "best time in the 600 yd is 1:30.5 and 60.8 in the 400m."

Senior mile-runner Rita Bertorelli has contributed much to the girl's track team.

Carolyn Gill: "My best time in the 100m (indoor) is 37.9. In the 400m it's 59.0" Gill and McKeone agree that "our 1 mile relay team will be one of the best relay teams in the state this year."

(#46) Danielle Hudson inches by her opponent.

This year's Girl's Indoor track team was a perfect blend of veterans as well as new faces. Senior tri-captains Carolyn Gill, Shannon Murphy, and Lauren McKeone lead this group of talented ladies. The Lady Mustangs hoped to put together a strong charge to reach a G.B.L. Championship and to do well during the state finals.

The strength of the team was in its relay. The speedy quartet of Gill, McKeone, Darlene Penachio, and Amanda Fitzmeyer gave an all out effort for the State Championship this year. The group was put together a year ago and has already done well at the Brown Invitational, Dartmouth Invitational, as well the Fas Track Invitational.

Staying at home, the Mustangs have gone 1-0 early in the season with a forfeit win over Malden and a defeat over Everett.

While seasoned veterans Murphy and Gill lead the sprint crew, McKeone performed well in distance events. Juniors Penachio and Fitzmeyer also contributed with first-places. Young runners also chip in to help the team. Underclassmen who came through were Luaren Dutra, Michelle Cullinane, Danielle Hudson, Heidi Cushing and Rita Bertorelli.

Mustang Golf Swings Away

The golf team had an impressive second place G.B.L. finish this year. Scott Martell qualified, with an outstanding average score, and participated in the Massachusetts State Championships. The Mustangs triumphed over some very tough teams this year, including two shutouts to Revere (6-0) and Cambridge (12-0). Their most substantial win was against Peabody by snapping their 83-match winning streak. First year player, Michael Bonnett, let the team to this unbelievable win.

MUSTANG NEWS

DOES IT AGAIN!

Even with a rough start the *Mustang News* managed to have yet another successful year. Early in the year the *News* was left advisorless while Mr. Selvitella underwent eye surgery, but the entire staff perservered to continue the tradition of a quality publication. Committed to covering pressing news stories, they "killed" an entire edition to print a special 16-page issue which included over 80 pictures of the incident at MHS as well as faculty and student quotes on the situation. Finally the staff looks forward to their final senior edition which covers exclusively the prom and graduation. Congratulations to Senior Editor Karen Sullivan and the entire staff for a year of excellent journalism.

The 1993 Blue & White Editors . . .

JOANNE BRUNO **Sports Editor**

Joanne Bruno is an editor of the M.H.S. Blue & White '93 specializing in sports. All of the sports pages were her personal responsibility, collecting copy from many of her writers which she appreciated greatly. She specialized in writing captions and doing the layout for all the sections.

Year booking was quite new to Joanne difficult at first but by the time the book was published she was one of our layout specialists. She worked well with all of her staff, and never missed a deadline. Next year she planning on attending either Boston University or U MASS Amherst and her present major and goal is to get involved in Hotel Management.

MARY KATE MANGAN **Art Editor**

Mary Kate Mangan-Art Editor of the M.H.S. Blue & White '93. Mary Kate handled many additional things other than sketches and art decisions relative to the cover and interior sections of the yearbook. The playing card theme is totally responsible to her most capable talents. She was in charge of the color Senior Section and was personally responsible for the cover as well as the art work involved in our editors page, which you are presently reading. Mary Kate loved being on the staff and being part of a team even though it was only her first year involved with this yearbook. She's looking forward to a career in Nursing having been accepted at University of New Hampshire and St. Anselm's at the time of publication she is deciding on which would be the best site for her, Mary Kate said that she "Would never forget all the good times and so many memories has given to her."

LAURA CARDONE **Business Editor**

What a team! Laura Cardone and Maria Capobianco, Co-Business Managing editors. As with Maria's job description, Laura had to deal with anything revolving around money-sales of ads, sales of books, collections of both layouts of advertising baby picture sections. Laura has had her finger on the pulse of major parts of this yearbook. All expenses, collections, and deposits have gone through the capable hands of this young lady. Future plans after graduation include attendance at Fisher College specializing in the Paralegal pursuit. If she is thorough and dedicated to that pursuit as she was handling the financial end of the yearbook with Maria, our legal profession has nothing to worry about.

Maria Capobianco **Business Editor**

Maria has teamed up this year with her friend Laura Cardone to be Co-Business Managers of the 1993 Blue and White. Everything from selling ads, collecting ad money, selling the yearbook to seniors, faculty, and friends, soliciting all the information necessary from the advertising clients as to how they want the ads to appear in the yearbook and keeping track of who's paid what and when and paying all of our bills are just a few of the pleasures that Maria has had to endure. Working closely with Mr. Earley has proved to be interesting at the very least and challenging at the very best. She is to be credited with a smooth operation along with Laura. They've worked hand in hand all year and made the very difficult task of handling the financial ends of the yearbook production to be seemingly easy. The future goals as of graduation Maria hopes to specialize in a field that revolves around children.

Rachel Kramer **Assistant Managing Editor**

Rachel is in her second consecutive year in working in production of the Blue and White as Assistant Managing Editor this year. Rachel has had to take a look at the entire book, primarily though, she has focused in on the faculty sections, and has helped us quite a bit on candid pages, ad pages, and all other kinds of problems. Presently accepted at UMASS Amherst, she is anticipating hearing from other colleges in the near future and hopes to major in Education. A very committed, focused and dedicated person, Rachel has been important in the successful production of not just one but two yearbooks. She is to be credited for the class of 93's quality production as much as anyone.

Laura Pinkos **Managing Editor**

Laura Pinkos has been the "Ace" of the yearbook staff for 1993. As Managing Editor of the Blue and White 1993, she was the one responsible for it all. Each section of the publication has had its major player, but Laura was the last student to ensure style, accuracy, and proper technique. At every turn she was there to put in the extra time and satisfy the demands of the advisor, editors, students and faculty. At the same time Laura excelled in the classroom and is choosing a college where she will major in Pharmacology. Among her options are Mass College of Pharmacy and University of Rhode Island.

John-Manuel DeQuadros **Voke Editor**

John-Manuel was one of our two "links" to the Vocational School. In addition to designing the Voke area with Lori, he continually kept the lines of communications clear and effective. With a specialty in Drafting, he is fully prepared to "Design his way" to whatever the future will hold.

Lori McGuire **Voke Editor**

Lori, our other liaison to the Voke. Working with John-Manuel on the Voke areas and throughout the year keep communications clear regarding photos, sales, and millions of other details. Always willing to help, she and John-Manuel were a great team. With her knowledge of Cosmetology she is prepared to "Cut her way to the top."

The editors of The 1993 Blue & White Yearbook would like to thank everyone who help to make the book such a big success. Without all the help things might not have been completed. We would also like to express our thanks to our advisor Mr. John Early. Mr. Early came through for all of us when we needed him to. He always gave us the extra confidence that no matter how bad things got we would get through them and finish the book. We would also like to recognize the amount of time that he devoted to the staff and the book. He was always available to help us out and always made time for us when we needed him. The Best Since 1933

We all agree that a top-rated restaurant has four main requisites: first, world famous food; second, faultless, gracious service; third, a wide and varied selection; and last, but not least, prices we can live with. When we find a restaurant that offers these four features it is, indeed, worth mentioning, and this treat is yours at DePasquale Bros. Ristorante and Pizza, established in 1933 in Medford at 374 Main Street, phone 395-9591.

This restaurant has been known for its appetizing Italian food and gracious hospitality since 1933. You may make your selection from a wide variety of Italian dishes and be assured, regardless of your choice, that it will be one of the best meals you have ever eaten. Catering is also available for parties, dinners, and club affairs. This restaurant is extraordinary. The many celebrities who have made this their "home away from home" like Connie Francis, Vic Damone, the great Jimmy Durante, Rocky Marciano, Carl Yastremski, Dwight Evans, and Sammy Davis, Jr. are proof of this. Members of the Italian Supreme Court even flew from Washington to eat their exceptional Italian food. They have also received accolades from *The Boston Globe*, *The Phoenix*, and *Boston Magazine* (1986 Best Pizza).

At DePasquale Bros. Ristorante and Pizza you will enjoy cordial service and foods prepared to the peak of perfection. People from the entire Greater Boston area have become regular lunch or dinner patrons at this fine establishment. One stop for a relaxing and delicious meal or take-out for your home will show you why.

Your hosts: Phil, Phillip, Lindsay Ann, and the entire staff welcome you to pleasurable dining.

THE CLASS OF '93 SUPPLEMENT

On June 3, three hundred and thirteen members of the class of '93 completed their last event in their high school lives, graduation. The ceremony began with the march into Hormel Stadium led by the junior marshalls and ushers. Messages of best wishes and prosperity in the future were given by Headmaster Todaro, Mayor Michael McGlynn, and Superintendent Philip Devaux. Class president Sheryl Benedict spoke of the turmoil during the school year and how the class of '93 was able to rise above it. The message of friendship and joy and how it touched each of us was conveyed by Anna Lisa Vilano during her Salutatory Address. Then the Valedictorian, Melissa Fenton, spoke of how when we all started off all we had was a bit of a road map and walking shoes, but we all eventually began to fill in the map and traded our shoes for bigger and better things. Finally, it was each individual seniors turn to shine as they walked across the stage to receive their diploma.

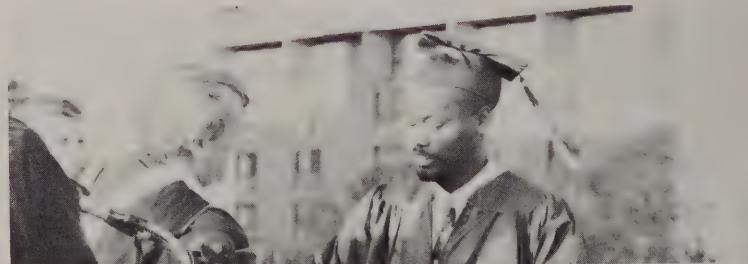

The junior marshalls and ushers lead the class of '93 into Hormel Stadium to the sounds of Pomp and Circumstance played by the Medford High School Alumni Band.

David Tenney and Gary Thevenot listen attentively to all the speakers but in the back of their minds are thinking about finally graduating!

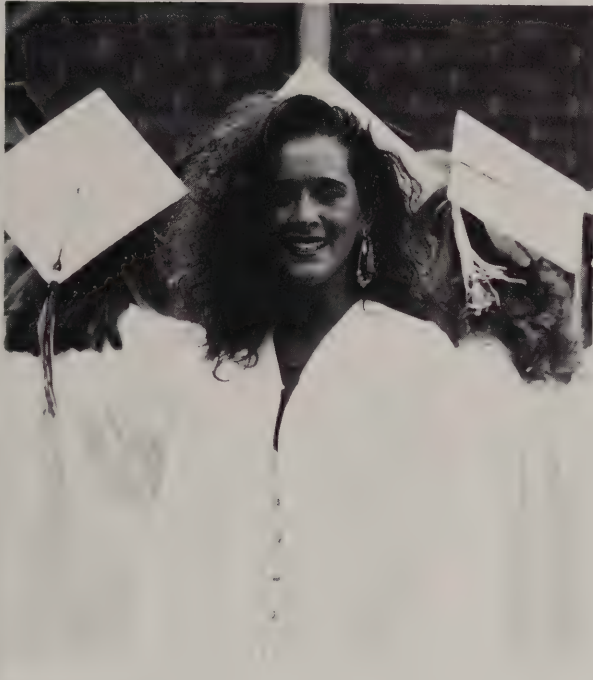

Melissa Fenton discussed the path that we travelled for the past four years and where it would be leading us in the future.

Since when did Elmo become a member of the class of '93? Cara Brener must have thought he was, she saved him a seat!

Eddie Casmir can't believe this day is finally here-the day he receives his diploma from Mayor McGlynn.

GRADUATION . . . WHAT A NIGHT!

As the winds whipped through Hormel, messing up hair styles and knocking off caps, George Amadeo didn't seem to notice. He had on his sunglasses and thought he was Joe Cool.

Kerry Malyerck smiles for pictures so that she'll be able to remember this day forever!

Jane DiGiacomo receives her diploma from her brother, School Committee member Jim DiGiacomo.

Sheryl Benedict took us on a trip through the memories of our senior year.

Even after flying back from the OM competition in Maryland, Anna Lisa Vilano was able to give the Salutatory Message.

Karen Quigley was so deep in thought she almost missed her turn to receive her diploma.

THAT SPECIAL NIGHT . . . THE PROM

After missing the Senior Banquet, over 350 seniors turned out at the Radisson Ferncroft in Woburn to enjoy their senior prom. The class had a buffet dinner and then danced the night away under an arch of blue and white balloons that covered the dance floor. The dance was interrupted only by the crowning of the king and queen, Desiree Williams and date, and the court, Laura Pinkos and David Polcaro, Sheryl Benedict and Justin Sheehan, and Richard Stestowkas and date. The prom concluded with the theme song "Through the Years" by Kenny Rogers and the class reflected back upon their years at M.H.S.

The King, Queen, and Court.

Hey, hey, the gangs all here!

SENIORS SAY ALOHA DURING A SNOW BLIZZARD

Seniors warmed up the cold, snowy winter night in their Hawaii attire as they danced the night away at the Senior Luau. Mike Toomey lead the class with his version of New York, New York and had the entire class on its feet. As the snow accumulated on the ground outside, the memories of our first social event of the senior year accumulated in our hearts.

New York, New York!!

AWARDS

Medford High School seniors received many awards during their senior year. Whether the award was academic or for performance in an athletic sport seniors were all very deserving.

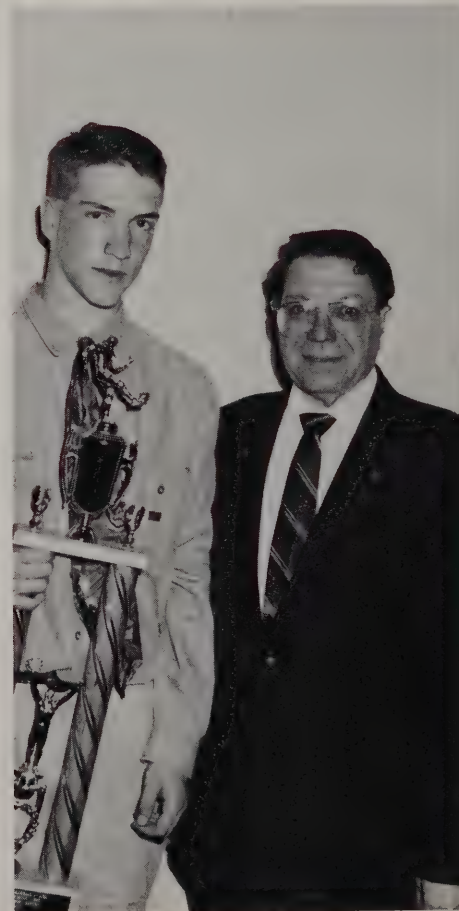

Five seniors received the Headmaster's Academic Achievement Award for achieving highest honors for two of the three marking periods. They were Jackeline Dias, Melissa Fenton, John Lanzerotta, Lauren McKeone, and Anna Lisa Vilano.

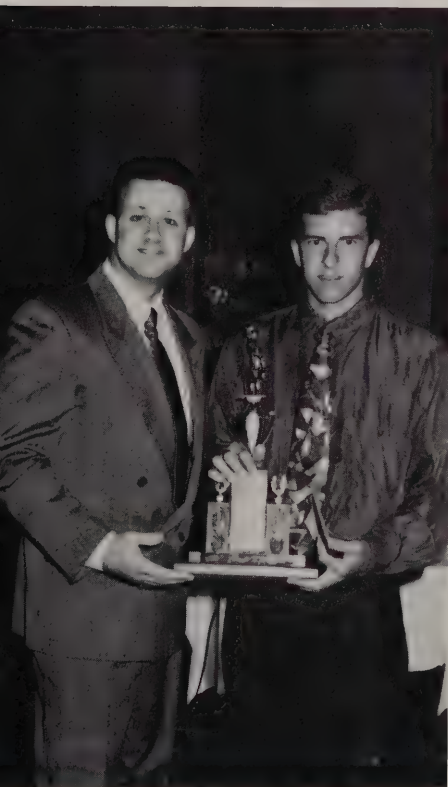

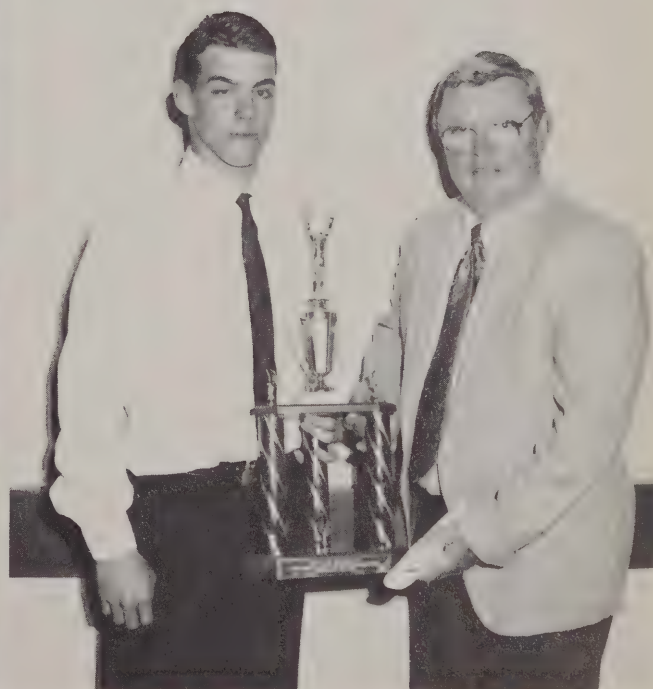

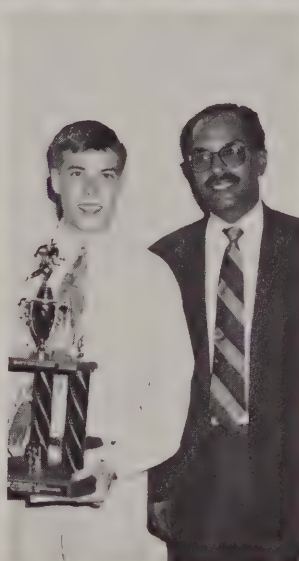

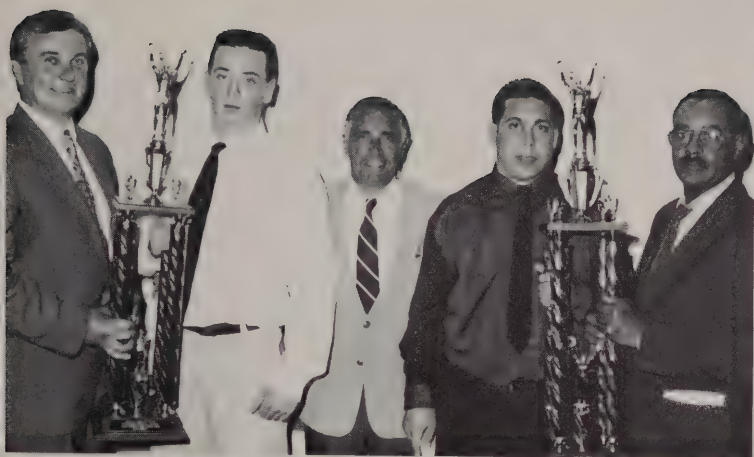

The Mustang News received the "Highest Achievement Honors in New England" for the 31st consecutive year at Boston University. Rachel Tardelli, Andre Beckett, and Tony Deforte won awards for their artwork. Brian Kelley won for his feature photo on the front page of "Chaos Ends" edition, and Karen Sullivan won for the accompanying news story.

In the Vocational Awards Joseph Farnham was presented with the Outstanding Senior in the Vocational School award. John-Manuel De Quadros was awarded "Vokie of the Year". Also, senior Jane DiGiacomo (.551) batted in 15 runs in addition to scoring 24 herself. The team advanced to the second round of the tournament before falling to Chelmsford, 6-0.

BASEBALL

The Medford High baseball team finished their season at 13-7 (10-6 G.B.L.) and clinched a playoff berth in the MIAA tournament. In the tournament Medford defeated Andover. This victory cost Andover a repeat performance and Paul Matatall his signature mustache. In the next game of the tournament Medford won 5-4 over Lowell in Wilmington. In the Division 1 North Finals against Catholic Central Medford lost 4-2. Even though the season came to end, the team exhibited extraordinary talent all season and made Medford very proud of them.

LACROSSE

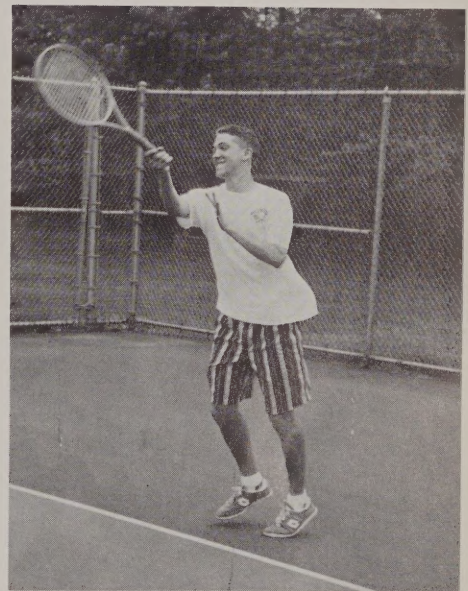

This years lacrosse team went 8-11 and finished fourth in the Central League with a record of 3-4. Two more wins in the league would have placed the team in the tournament. Seniors Emilio Ciasullo and Scott Larkin were named GBL all-stars. Other contributing seniors were Ehren Lister, Kevin Finnegan, Mike Ruelle, and George Amedeo.

TENNIS

The boys tennis team had a difficult season finishing with a record of 5-9. With seven returning seniors, and Co-captains Mike Cangiano and Brian Martell leading the way the team had hoped for a better showing. Matt Scaparotti received the coach's award for an excellent season. M.V.P. went to Mike Cangiano and the Unsung Hero went to Joey Buldini and Brian Martell.

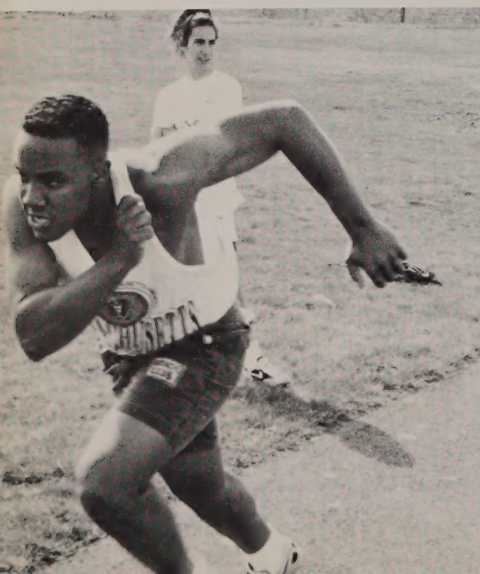

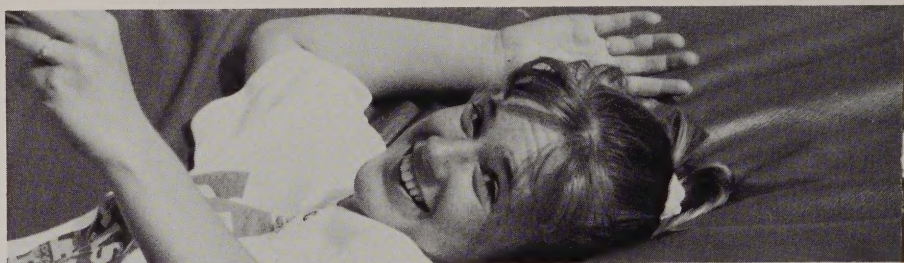

The girls tennis team did not end up much better than the boys. The team finished the season with an 0-14 record. The season was described as the most injury-plagued and illness-ridden yet! The team was never able to turn it around. Although some of their matches were very close others were total blow outs. Outstanding seniors on the team were Nicole Marabella, Karen Anderson, and GBL all-star Karma Foley.

TRACK

The girls track team ended their season with an impressive record of 6-2 giving them third place ranking in the GBL. The "Fab Five", Lauren McKeone, Amanda Fitzmeyer, Carolyn Gill, Darlene Penacchio, and Lauren Dutra dominated the track along with Carolyn Gill's Class A record in the triple jump of $34\frac{1}{4}$ ft.

Boys track finished with a record of 4-4. Lead by captain Paul Lordan the team fought a lot of tough meets. Rob Grieco took second place in the state meet and was also a champion shot-putter.
